Instructions:

Download the printable to your computer.

Print out all pages on cardstock paper, to get the number you need to hand out.

Cut a ziplock baggie in half, opening it up to be a single layer of plastic.

Cut out the gumball machines on page 1 and the red circles on page 2.

Then cut the white circle from the gumball machine creating a hole.

Lay the gumballs into the middle of the red circle then make a single line of hot glue around the edge of the circle and place the baggie on top to hold the gumballs in place.

Then glue the gumball machine on top by placing another line of hot glue on the back of the gumball machine.
